

*Going to kindergarten at Bardia Public School*

*I am starting kindergarten at Bardia Public School.*

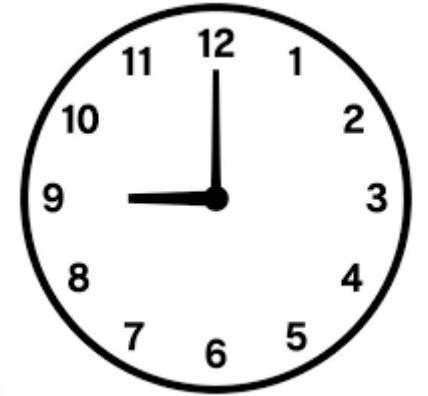

hello

Every day I need to be at school by 9am.

In the morning my parents or carers will drop me off at the front gate. I say goodbye and go and meet my new friends.

When I start kindergarten, I will learn where my new classroom will be and who will be my new teachers.

*The principal's name is Mrs Quinlan.*

When I get to school I will put my bag on my bag hook.

Every morning, the bell will ring and I will line up near my classroom door.

In my classroom, I will make sure I am always ready for learning by doing my Five Ls

My lips are closed.

My hands are on my lap.

My legs are crossed.

My ears are listening.

My eyes are looking at the teacher.

If I have something to say I will put my hand up and wait for the teacher to say my name.

I will learn about the school rules. These rules will help keep me and my friends happy and safe each day.

At school, I will learn lots of new things. My classroom is full of different places where I can learn.

*At 10am each day I have crunch and sip. This is a time where I eat my fruit and have a drink of water.*

At lunch time, I eat my lunch, have a drink of water, go to the toilet and play with my friends.

At recess I eat my snack, have a drink of water, go to the toilet and play with my friends.

I will meet some friendly Year 6 students who will become my buddy. My buddy will be around to help me on the first days of kindergarten and come and visit me in my classroom to do some fun activities with me.

*I must remember to wear a hat when playing outside.*

At lunch and recess there are lots of things for me to do and lots of places for me to play.

I can play on the equipment.

*I can run around on the oval.*

*I can play ball games on the basketball court.*

*I can play handball in the courtyard.*

*I can visit the library.*

I will get to visit the library with my class. The librarian's name is Mrs Wyber. We get to read and borrow books from the library and sometimes Mrs Wyber does special activities with my class. She even has a pet fish who loves hearing students read.

At 3pm the bell will ring to tell me that it is time to go home.

I am going to love going to kindergarten.

My new teachers and new friends are very excited to meet me.

I will learn and have fun at Bardia Public School.
