## 'THE BUGLE'

Week 10 – Term 4 – 2010

### Message from the Principal

Dear Parents and Carers,

Welcome to the last edition of the newsletter for 2010.

#### **Presentation Day**

What a wonderful event! The behaviour of our students was extraordinary, especially so given the humidity. The event ran very smoothly thanks to Miss Attard's organisational prowess and I think you would agree that all of our award winners were very deserving. Of course we would like all of our students to be winners, but the reality is that that is not possible. Perhaps those who missed out will try that little bit harder next year.

Unfortunately with the silly season upon us there was not time for the staff to discuss whether a number of later recipients of Gold Level should receive the School Medal. This has now been rectified.

First, apologies for not recognising these people at the Presentation Day Ceremony, and now, congratulations to the following recipients of the School Medal:

Jaymi Lee King  
Montanna Rebolledo  
Connor Bachen  
Billy Miller  
Stephanie Wilk  
Grace Grimsley

#### **School Medal 2011**

To prevent the above situation from occurring next year and also to ensure that everyone is clear about the selection criteria, please take note of the following:

To be awarded the School Medal in 2011 students *must reach Gold Level before Monday of Week 7, Term 4, and consistently adhere to all of the following.*

1. Show complete respect for all adults at the school and on excursions
2. Show respect to their peers and resolve conflicts sensibly
3. Adhere to all class, playground and school rules
4. Display the qualities of good citizenship
5. Wear the correct school uniform with pride
6. Try their best academically
7. Display good sportsmanship
8. Attend school regularly, having no unexplained absences and only occasionally being late for school

#### **Year 6 Farewell**

Thanks to Mr Probert's organisation and a number of wonderful parent volunteers (Maxine Rose, Tanya De Britt and Catherine Morabito – sorry if I left someone off the list). Once again (although I never get sick of saying this) the Year 6 and Year 5 students who attended were just wonderfully well behaved. They made the night such an enjoyable one for themselves and the teachers. Our Year 6 will be sadly missed.

## **Ethics Classes**

The State Government has made a change to the Education Act which allows for the teaching of ethics classes to Year 5 and Year 6 students who do not attend scripture. A letter attached calls on those people interested to apply to be trained as teachers of ethics on a volunteer basis.

Ethics is the ancient philosophical pursuit of balancing conflicting concerns when making a decision. Such questions may be as simple as: *My friend Bob asked if I would go to his birthday party, but Bill has already asked me to go to his birthday party. What should I do?* They may be broader questions such as: *Should Australia use nuclear power?*

## **Classes for 2011**

Although this could change, at present, the classes will be the following next year: K/1, K/1, 1/2, 3/4, 4/6 and 5/6. The 4/6 may strike some parents as unusual, but the two year 4 classes will be as close to identical as possible in academic ability and such a mix is actually easier for the teacher than say a 4/5/6 – a class we had at INPS a few years ago.

**Once again, thank you for your support this year – because of our combined efforts the school just keeps on getting better!**

**I hope you all have a safe and happy Christmas.**

Brett Moseley  
Principal

## **Canteen News**

I would like to take this opportunity to say a HUGE "THANK YOU" to all the volunteers and helpers of the INPS Canteen.

I am proud to say that we only had about 2 days this year where we had to close unexpectedly due to illness/unexpected commitments where we were unable to get someone to cover that day. It was only in

Term 4 that we were closed on Mondays. That shows the amazing support and dedication we have with our Mums and Friends to keep the canteen running smoothly.

To name a few of our cherished and special people: Jeannie, our Wednesday volunteer who doesn't even have any children at the school, Anitha who diligently stood beside Jeannie on Wednesdays, Melissa for her dedication to making Tuesday her day, Sally our amazing all rounder who does days, covers days, does shopping, helps catering and is always there being a great support. Sharyn, who agreed to do the days where Gala Day coincided with the canteen. This allowed our mums of older students to be free to go help at the Gala Days and watch their children play. Charmaine, our volunteer and shopper/supplier of the canteen every week, Natalie, Lisa, Maha, Jenny our President and volunteer/caterer/organiser, Tracey our Treasurer, helper and great support, Denisse, Tanya our fundraiser and caterer and Nora for organising the Coles Donation Scheme which helped supply the fruit in the canteen and raise the profit we received.

I now also ask with desperation that you support us again in Term 1, 2011. We need you to help us keep this great canteen school fundraiser going. I have always said that if every Mum could just spend one day in the canteen a term, we would be able to open every day and maybe even have 2 people on Thursday/Friday which seem to be our busiest days. The roster is in the canteen now, if you would like to drop in and put your name down on a day that suits you, it really would be greatly appreciated.

We are also trying to find a Canteen Manager for 2011. I unfortunately am no longer able to do this full time due to work commitments, but will gladly guide, support and be there 24/7 for anyone who may be willing to give it a go. It's not that tough a job, just a bigger version of your kitchen at home. It is also a great way to get to know some of the lovely people and families we have here at our school.

At times, we also need help and support when we are baking cookies for Anzac Day, running the BBQ for Presentation/Election days, supporting the teachers by catering when they have training days, doing

Melbourne Cup lunches, cutting up of fruit and vegetable trays for the kids to be involved in the Crunch'n'Sip month. There are a lot of different events to be involved in to get to know your school a little better and to help your kid's school.

Please have a great and enjoyable summer holiday. I can't wait to see you back here next year in 2011.

Regards  
Maxine
