'THE BUGLE'

Term 4 – Week 10 – 2016

Message from the Principal

Dear members of the Bardia Public School community,

Thank you – As the year draws to an end, there are a number of people to be thanked.

Thank you to everyone who attended our Presentation Day last Monday. It was wonderful to see such support for our students as we celebrate our efforts and achievements over the year. A special thank you to Ms Attard for organising the day and to Miss Walters who has worked tirelessly with the two dance groups all year and who also assisted the choir and Kindergarten item.

Thank you to all our wonderful volunteers who have assisted in classrooms, in the library, canteen, P&C and scripture classes over the year. The staff and students appreciate the time and effort that you give our school.

Thank you to Mrs McCabe and the Years 5 and 6 students who attended the Year 6 farewell at Ingleburn RSL. The behaviour of all students on the night was outstanding and a great night was enjoyed by all. We wish our graduating Year 6 students every success as they prepare to enter high school.

Thank you to all teachers and students for another great year of teaching and learning. Our students are achieving terrific results due to the quality teaching programs in place at Bardia and the commitment to learn made by all students.

Thank you to all the families who kindly donated gifts for the UnitingCare Burnside Christmas appeal. These gifts have been collected and will be distributed to local families before Christmas.

The staff at Bardia Public School wish all our students and their families a happy and relaxing Christmas break. We look forward to seeing you back in 2017.

Regards, Miss Lewis

Please ensure that you collect your child from school promptly at 3.00pm. If you are going to be late regularly, you should enrol them in our after school care facility run by Camp Australia.

LIBRARY NEWS

Well it's here. School finishes this week. I'd like to take the opportunity to thank a few people for the success of the library program.

Firstly the students for their enthusiasm for reading and all the helpers in each class that willingly put books away and tidy up always taking pride in our library.

Then the parent helpers, Ms Freeman, Mrs Egan, Mrs Benson & Mrs Das to name a few. They tirelessly shelve and cover books and help in many other ways. Thank you I would be lost without you.

Finally Ms Keen and Ms Hancock in the office for all their behind the scenes work.

We have a great library at Bardia and it is that way because the community values reading and this shows in our children's results.

If you have an overdue notice and can't find the books, please write on the notice and return it to me or shoot me an email kathleen.wyber@det.nsw.edu.au

I hope everyone has a safe and relaxing break over the holidays. See you next year!

The simplest way

...to make the festive season fruity.

Fruit makes a healthy addition to the festive season spread and it's great for making all sorts of edible Christmas creations too!

Trees: use a knife or cookie cutter to shape trees from watermelon (left), or place kiwi wedges on a plate and top with star cut from other fruit (below).

Candy cane: place alternate banana and strawberry chunks on a plate to form a cane shape.

Santas: Layer marshmallow, banana and strawberries. Hold together with icing, or a toothpick. Use raisins for eyes and a Jaffa for a nose.

The simplest way

...to understand UV radiation.

What is UV?
Ultraviolet (UV) radiation, emitted by the sun, is the main cause of skin cancer. UV radiation can be dangerous even on cool and cloudy days.

Did you know?
Ultraviolet (UV) radiation can damage skin when it reaches levels of 3 or above.

Staying safe when the UV is three or above:
-Download the SunSmart app or use the online widget (www.sunsmart.com.au/uv-protection/uv/uv-widget) to find out the exact hours to use sun protection.
-Generally, the UV levels will be above 3 throughout the day from October to March. So minimise time outside from 11am – 3pm (DST) and use sun protection when outdoors (Slip, Slop, Slap, Seek, Slide).

Protect yourself in five ways from skin cancer

A wonderful way to be part of the school community is through volunteering. We currently have some amazing volunteers in our canteen to ensure we have canteen facilities for our students. No experience necessary. If you are able to donate any of your precious time, please contact the canteen or office staff. Your children also gain a sense of pride when their parent helps at the school.
