'THE BUGLE'

Term 2 – Week 4 – 2017

Message from the Principal

Dear members of the Bardia Public School community,

Please remember that you must be here at 3.00pm each afternoon to collect your child.

There is no afternoon supervision provided. If you are going to be late regularly you should enrol your child in our After School Care. If there is an emergency and you will be unavoidably late, please ring the school immediately and inform the office staff.

Our school camp this year is to the Bathurst Goldfields. A full itinerary will be sent home later this term. This is a 2-night camp which aligns with the stage three syllabus. This camp is only open to Year 5 and Year 6 students. If you want to secure your child's place on the camp, please complete the permission note that will be sent home soon, and place a deposit at our Admin Office, asap. The total cost of the camp will be between \$350 and \$370, depending on numbers.

Please keep your child at home if they are sick. Sending them to school leads to them having a miserable time in the school first aid room; but worse than that, by coming to school they have increased dramatically the chances of other children, and/or their teachers, becoming infected.

Please stay calm in the car park! Please be considerate by not parking where you block others. Park away from the busiest areas and always watch out for small children!

Sport News

We have a number of students who have been successful in trialling for zone sport teams:

Brianna Bolwell was selected for the zone girls' hockey team. This team played in a competition on Tuesday 2nd May against other teams from our region. Keep training Brianna and we hope to see you in the team again next year!

Isaac and Jacob Rameka were selected for the zone boys' softball team. Their team will play against other teams from our region at the SSW carnival on May 22nd 2017. Good luck Isaac and Jacob!

Blake Bolwell was selected for the zone boys' soccer team. Their team will play at the SSW carnival on Monday May 29th, 2017. Good luck Blake!

A massive thank you to our wonderful band of volunteers in the canteen, uniform shop and the Friends of Bardia fundraisers.

These amazing volunteers initially underwent training to fill the positions required to run these vital services. Since then they have performed their roles with pride and efficiency.

Our enthusiastic canteen and uniform volunteers have done an amazing job to ensure they provide an efficient service for our families' convenience.

Our volunteers who have run the recent fundraiser activities worked very hard behind the scenes to raise invaluable funds to help purchase vital resources for our students.

Just a very small token of thanks from all the staff at Bardia Public School to let you know we see all the hard work you put into this school, are truly valued and appreciated.

If you feel you can, in any way, help these hardworking volunteers please contact the office. They urgently need some casual helpers for the times they are not able to attend on their rostered days. 'Many hands make light work' – the more volunteers the easier the load. Your children also get a buzz out of seeing their parent/carer at school helping out.

Term 2 at Bardia Public School OSHC

Sustainability Activity

We are pleased to announce that over this term our service will be participating in a special project to support embed sustainable practices in the service and investigate the natural world around us. Children participate in the growing of herbs and salad bench-top gardens while gaining an understanding of plant life cycles and how to care for the natural environment. Children will also be encouraged to investigate other sustainable practices such as reduce, reuse and recycle and embed them into the program. Also this program supporting children to become environmentally responsible and show respect for the environment. Over the past two weeks children were very excited for this activity and as they started plant the seeds with educators. Also they like the idea of the compressed soil patters and how it turns to a soft soil in 10 mints only. It is very interested for children watching for the seeds growing up.

Mother's Day Activities

First of all we would like to say Happy Mother's Day for all Mums. And wish you enjoyed your Mother's Day weekend.

In week 3 we had range of Mothers Day activities; as we made mother's Day bags and decorated with a nice flowers and glitter. Also we had Mother's Day cards activity; children with educators together implemented their suggested ideas to make beautiful cards for their Mums.

Nominating the Service Leaders for Term 2

As we used to nominate new leaders in the service every term; this term we had six leaders as we kept some of them from the last term. Actually the leader system encouraged children in terms of help and respects others, follow educators instructions and it was a good motivation for children to behave appropriately.

tCAF Term 2 – Disability Awareness and Communication Program

Communication is vital to children's development. Communication is the basis of relationships; it helps us express our thoughts and feelings and is essential for learning, play and social interaction. Many of us take for granted the communications skills learnt early in life such as two-way communication using eye contact, facial expressions, gestures and words. However, children with additional needs and/or disabilities may not develop these important basic skills which mean they

are at risk of being socially isolated. Working in partnership with Australian Schools Plus we created our Communication Skills Program to raise awareness about the importance of these skills. Our

Program aims to help children develop empathy and understanding for children with additional needs/disabilities.

This program offers a range of respectful awareness raising activities. The activities are:

1. Learning about Disabilities
2. Celebrating Achievements
3. Other ways to communicate
4. Understanding Different Disabilities
