### Message from the Principal

Dear members of the Bardia Public School community,

**Athletics Carnival** – Last week we were very fortunate with the weather to be able to hold our Athletics Carnival. The students all had a great time participating in the different events and everyone enjoyed the day. Special thanks go to Mrs Parker, Miss Potter, Mrs Saxon, Mr McMaugh and Mrs Lynch for organising the day.

The 800m races for 8 – 12 year olds will be held on Thursday.

## FROM THE OFFICE

### CRAFT SESSIONS

We are running craft sessions during the lunch period. If you have any craft items you could donate (e.g. wool, knitting needles, ribbon etc.) please hand in to the office.

All donations welcome.

We would like to give a huge thankyou to everyone who has already donated.

### School Banking

Wednesday is school banking day and students should bring in their weekly deposit to the front office before 9:00 a.m.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for a school banking reward item in recognition of their continued savings behaviour. Remember our school earns 5% commission on every deposit made (to a maximum of \$10 per individual deposit). Thank you for supporting the School Banking program at Bardia Public School.

We are currently updating our emergency contact numbers. If you have recently changed your telephone number or emergency contacts could you please notify us in writing of any changes.

## LUNCH ORDERS

When ordering lunch for your child, please ensure you write your child's name, class and order clearly on a paper lunch bag. It is also important to write any specific requirements e.g. no butter etc.

Please make sure lunch orders are placed first thing in the morning at the canteen. If the door is closed place the order through the slot.

Nutrition Snippet

### The simplest way

...to save money and improve your health.

Including two serves of fruit and five serves of vegetables in your daily diet can help prevent cancer and save you money too.

Reducing the amount of expensive meat ingredients and increasing the amount of cheaper vegetable ingredients in recipes is a great way to boost your veg intake and reduce the grocery bill.

Try it with:

- Pizza** – limit or avoid processed meats and add more mushrooms, capsicum, onion or leftover roast veges.
- Stir fries** – reduce the meat and add extra capsicum, broccoli, snow peas and bok choy.
- Bolognaise** – use less mince and more grated or chopped carrot, celery and zucchini or add canned lentils or kidney beans.

## The simplest way

...to ensure you use sunscreen correctly.

Regular use of sunscreen has been shown to reduce the incidence of melanoma and squamous cell carcinoma, both in the short and long term.

**What does sunscreen do?**  
Sunscreen protects against the damaging effects of the sun by reducing or filtering the amount of ultraviolet (UV) rays that reach the skin.

**What is the most effective way to use sunscreen?**

- Use at least **SPF 30+** broad spectrum water-resistant sunscreen.
- **Patch test** sunscreen on a small area of skin – especially if you have not used the product before.
- **Apply and re-apply.** Apply sunscreen 20 minutes before going outside and re-apply every two hours.
- **Apply generously.** Dosage will vary depending on the size of the child. However on an average size child, it is recommended to apply 1/2 a teaspoon of sunscreen to each arm, leg, front of body, back of the body and the face (including ears and neck).
- **Remember** sunscreen filters out most but not all UV radiation. Use sunscreen in combination with other sun protection methods, including broad brimmed, bucket or legionnaire style hats, sun safe clothing and staying in the shade. Sunglasses are recommended to protect children's eyes.

For more information on sunscreen visit: <https://www.cancerouncil.com.au/cancer-prevention/sun-protection/>

### Term 1 week 8 and 9 at Bardia Public School OSHC

**In week 8** We celebrate the winter season, as we had discussions with children regarding appropriate wear in this season and winter food and fruits. Children shared with us their ideas and favourite art, craft and games. Also, we had in this week range of craft such as snowflakes craft, winter tree craft and penguin craft. Children used some winter paper to make the snowflakes and the multiple folding techniques as some of them tried their best to teach each other and it was a very good example of collaboration. Also, we had lots of beautiful pictures of winter tree craft, as we are drawn brown winter trees and we used white paint to make snowflakes on the top of it.

**In week 9** This week was all about art, as children got the chance to choose their favourite art craft depends on their interests. Some of them chose to do painting activities to make 3D turtle craft by using special techniques. While other group of children chose to explore the outdoor environment and dig in the soil and watch the worms moving in the soil, as we had a lovely discussion time during that regarding the worm's life cycle and the benefits of the worm for the soil and for the plants.

As the school holiday just on the corner, we would like to remind all the parents and carers about the holiday club program and the nearest holiday club .

There will be a terrific program and activities also excursions in the holiday club. For more details about the program, you can check Camp Australia web and the holiday club attachment in the previous CA newsletter.

Also if you have any questions about the program – please feel free to drop by, meet the team and see what happens in after school care first hand. Have a good break to all children, school, staff and parents and carers

We look forward to seeing you soon.  
The Camp Australia Team.
