'THE BUGLE'

Term 3 – Week 10 – 2017

Message from the Principal

Dear members of the Bardia Public School community,

PARENTS AND CARERS PLEASE CLICK BELOW AND COMPLETE THE TELL THEM FROM ME SURVEY.

<https://nsw.tellthemfromme.com/survey/splash/d4gmg>

The information we get from this survey is extremely important to our working out the best ways we can support you and your children. Please help us by completing this short survey.

Don't forget the **Friends of Bardia meeting** this Tuesday night, 6pm to 7.30pm in the library. I will be showing you the NAPLAN results not usually seen by the public. Yep! It's time for us to show off. Also, I will be asking for you to vote on some pretty significant changes to the way this school operates. If you want your opinion to count please attend.

Last Friday afternoon two representatives of the Innovate tutoring company were on the school grounds handing out flyers. They did not have my permission to do so. BPS does not endorse this company's services. While I have no knowledge of this particular company, in my experience there are **very few** tutoring companies I would endorse. I will leave it to your own wisdom to work out why.

Do you have a child starting kindergarten at Bardia Public School in 2018? Now is the time to enrol your child!

Another amazing school camp! Once again our beautifully behaved students have completed another fantastic school camp. No wonder the tour operators love working with our school. These young people are a credit to their parents! A massive thankyou also goes to the indefatigable Mrs McCabe for organising the camp, Mrs White for acting in her First Aide Officer capacity (no illnesses or injuries to report, thank goodness!) and to Mr McMaugh for his great support of one of the best BPS camps in many years. So how much extra money did these dedicated teachers earn for working 58 hours straight? \$0.00. Teachers do it because they care about children.

Car park: please use extreme care and caution when using the car park. Please give way to children and their parents who are using the crossing to enter the school from the car park.

Please do not enter the small staff car park near the admin building to drop children off or to pick up students.

Please remember that you must be here at 3.00pm each afternoon to collect your child. There is no afternoon supervision provided. If you are going to be late regularly you should enrol your child in our After School Care. If there is an emergency and you will be unavoidably late, please ring the school before 3.00pm and inform the office staff.

Have a great holiday everyone. See you on Monday 9th October!

Sport News

Congratulations to **Ilori Platten** who was chosen to represent the SSW zone at the state netball carnival. The carnival was held in Tamworth from 29th – 31st August, 2017. There were some really good teams in the competition and Ilori played 13 games in total. She played most of the games in the defence position but also played in the positions of centre and wing attack. Well done, Ilori!

SSW Athletics Carnival

On Wednesday September 13th, **Max Dawson**, **Alissiah Paikea** and **Hayden Brown** represented the Fields Zone at the SSW athletics carnival held at the Campbelltown Athletics Centre. It was a very competitive meet with schools attending from across the entire Sydney South West region.

Results

Max Dawson came second in the final of the junior boys 800m race and has made it to the state carnival to be held early next term. A great achievement! We wish you well at the next level of competition Max.

Alissiah Paikea ran the 100m in a time of 17.19 seconds – fantastic result!

Congratulations to Max, Alissiah and Hayden on these fantastic results.

Mrs Parker

School Banking

Wednesday is school banking day and students should bring in their weekly deposit to the front office before 9:00 a.m.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for a school banking reward item in recognition of their continued savings behaviour. Remember our school earns 5% commission on every deposit made (to a maximum of \$10 per individual deposit). Thank you for supporting the School Banking program at Bardia Public School.

Tissues

URGENT! We have run out!

It would be appreciated if families would pop a box of tissues into their shopping trolley next time you are shopping to build up our supply. Boxes can be sent to the office.

Thank you in anticipation.

Office staff.

LUNCH ORDERS

When ordering lunch for your child, please ensure you write your child's name, class and order clearly on a paper lunch bag. It is also important to write any specific requirements e.g. no butter etc.

Please make sure lunch orders are placed first thing in the morning at the canteen. If the door is closed place the order through the slot.

 Nutrition Snippet

The simplest way

...to pack a healthy lunch box.

Everyone should aim for 2 serves of fruit and 5 serves of veggies, every day for good health. Sounds hard? It's easier if you include fruit and veg across the day. Try these simple ideas:

- **Pack vegetable sticks** – try carrots, celery, capsicum and cucumber – with hummus and vegetable based dips (like pumpkin, beetroot, spinach or red bean).
- Add a **small 150g tin of baked beans** to your child's lunch box (decant into a container your child can open).
- **Leftovers** are an exciting lunch box addition: try packing fried rice, a veggie stir-fry or some veggie frittatas – they all taste great cold!

HELP

We need volunteers to help with the embroidery of the student uniforms. No experience needed. Very simple, machine does it all. Training available.

Term 3 at Bardia Public School OSHC

Over the past 2 weeks, we had a range of activities about nature also superhero.

We have learnt about the nature and what is nature's meaning. As we planted verges pot just few weeks ago, children are still looking after them and some of the children watering the pots regularly and they are very keen to expose it to the sun light. Also in this week children have got another experience of using the outdoor resources in indoor activities. So we have collected some of outdoor dry leaves, branches and rocks to use them in different art craft and painting activities and we had an art gallery pictures made of rocks, dry leaves and other natural resources.

Also children enjoyed making superhero masks and cuffs and had a superhero games.

Outdoor Classroom Day

On **Thursday 7th September** we had outdoor classroom, This was a global day to celebrate outdoor learning. And it is Australia's first Outdoor Classroom Day.

Studies have found that exposure to outdoor environments may also be effective in reducing attention deficit symptoms in some children.

In that day we had picnic at the beginning of the session as we had our afternoon tea outside. And children enjoyed nice and warm weather; followed by having variety of physical outdoor games. Children had a lovely time playing Bull-rush group game also soccer group game.

About The Australian Literacy and Numeracy Foundation (ALNF)

ALNF is a registered national charity dedicated to raising language, literacy and numeracy standards in Australia. They currently work across 302 sites nationally, and are passionate about helping people in Australia's most marginalised communities gain literacy skills.

ALNF has a waiting list of disadvantaged children who require Literacy Packs. ALNF will distribute packs on behalf of Camp Australia to children on those waiting lists.

Camp Australia is supporting The Australian Literacy and Numeracy Foundation Currently only one in five Indigenous children in some very remote communities can read at the minimum standard. Not having basic literacy resources like books is a significant barrier for children in these communities.
