'THE BUGLE'

Term 3 – Week 8 – 2017

Message from the Principal

Dear members of the Bardia Public School community,

Congratulations to our amazing students Camille Magsino, Shreeya Kaushal, Kayla Nguyen, Amahli Camilleri, Zaid Al Mahameed, Suhaan Jain, Caitlyn Tjhin who represented Bardia Public School in the **Tournament of Minds**. This was the first time our school has entered a team in the Tournament of Minds. Despite this, our students came second out of 32 teams! What an amazing result. Well done to you all.

PARENTS AND CARERS PLEASE CLICK BELOW AND COMPLETE THE TELL THEM FROM ME SURVEY.

<https://nsw.tellthemfromme.com/survey/splash/d4gmg>

The information we get from this survey is extremely important to our working out the best ways we can support you and your children. Please help us by completing this short survey. (Note being sent out today).

There are hundreds of companies that specialise in providing **highly trained instructors to teach our students certain aspects of the curriculum**. I make sure that we only engage companies that are highly professional and affordable, such as Dance Fever. The only way we can do this is if every student pays the very reasonable fee of \$2.80 per week. We cannot have students opting out and still afford to hire these companies. Also, we do not have additional staff to supervise these students. Should we continue to have students opting out we will not be able to engage these companies in the future. All the children will lose as a consequence. Please support your child's school.

The blue link below will take you to a fascinating article on **the importance of reading to your child**.

How can I improve my child's learning? Learning at home is extremely important. Remember that statistic I showed you at Kindergarten Orientation? If you worked out how many hours there were in a year (8760) and divided this number by the total number of hours your child should be in the classroom in one year (1000) you will find that your child's time in class = 11% of the year. Obviously, this is not much time. So what can you do to help their learning?

1. Encourage your child to read at home (books at their level that they choose) and use the internet responsibly to research topics. Reading is like the brain doing push ups: it helps brain function.
 2. Read to **or** with your children.
 3. Make sure they get enough sleep. Staying up late has been shown to retard students' learning. Scientists now know that one of the reasons humans sleep is to process the day's learning. Good sleep improves brain function.
 4. Make sure they get into the habit of doing homework OR reading for 30 to 45 minutes every evening.
 5. Make sure they eat well. Research has shown that eating healthily improves brain function. I love the Granny Diet: "If your grandmother or great grandmother didn't eat it, it's probably bad for you!"
 6. Make sure they get some exercise. Being fit improves blood flow (oxygen) to the brain and this has been shown to improve brain function.
 7. Teach them to have a **growth mindset**. Learning is never easy. If it is, then you probably already know it. Making mistakes is the way that humans learn. No matter what the test results are, it is important to understand that this is only a measure of where you are at that moment in time. Keep trying hard and you will get there! Scientists have discovered that intelligence is NOT fixed. We can and do improve our intelligence every time we learn something. The more we learn, the more our intelligence grows!
 - 8. And most important: Make sure your child is at school, on time, every day!**
Every minute of class time your child misses out on DOES hurt their education, especially if they miss out on the beginning of the lesson.
-

How are we going? It isn't enough that we think we are doing a good job and that everyone seems happy at school. We need to be sure. We need to hear what everyone thinks. Information will go home today about the **Tell Them From Me** surveys. As we did last year, students, teachers and parents will soon be asked to complete three separate surveys about their experience of BPS. These surveys will be over the internet. The teachers and students will complete these surveys at school and the parents will be able to do the survey at home.

Please help us to learn about your opinions. They are extremely important to the decision making process at BPS!

Car park – please use extreme care and caution when using the car park. Please give way to children and their parents who are using the crossing to enter the school from the car park.

Please do not enter the small staff car park near the admin building to drop children off or to pick up students.

Please remember that you must be here at 3.00pm each afternoon to collect your child. There is no afternoon supervision provided. If you are going to be late regularly you should enrol your child in our After School Care. If there is an emergency and you will be unavoidably late, please ring the school before 3.00pm and inform the office staff.

Mr B. Moseley
Principal

Do you have a child starting kindergarten at Bardia Public School in 2018? Now is the time to enrol your child!

Library News

Book Fair

Congratulations Bardia P.S.!!!!

This year at the book fair we sold over \$3,600 worth of books. This means the library can buy books to the value of \$1,100.

Thank you to my parent helpers who I couldn't run the book fair without!
The orders should be arriving soon!

Dad's reading Afternoon

In other library news there was great excitement when the dads came to read. Several of the dads had the children in fits of laughter and in all we had 48 dads, uncles and granddads. At Bardia we have some of the highest reading scores in the nation and, along with the exceptional teaching at our school, it is programs that encourage and model a joy for reading that contribute to these scores. So, thank you to the dads, uncles and granddads who were able to make it on the day. If for work reasons you weren't able to make it I know that you will take the opportunity to read with your child at home.

Dress up/ Mufti

I am continually impressed by the effort of the children and parents in creating book character costumes even when we do not have a parade or prizes. The aim of the dress up is to have fun and step into another character for the day. As you may have seen even our teachers get into the spirit!

Happy reading ☺

FROM THE OFFICE

CRAFT SESSIONS

We are running craft sessions during the lunch period. If you have any craft items you could donate (e.g. wool, knitting needles, ribbon etc.) please hand in to the office.

All donations welcome.

We would like to give a huge thankyou to everyone who has already donated.

Mrs. White – SLSO

School Banking

Wednesday is school banking day and students should bring in their weekly deposit to the front office before 9:00 a.m.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for a school banking reward item in recognition of their continued savings behaviour. Remember our school earns 5% commission on every deposit made (to a maximum of \$10 per individual deposit). Thank you for supporting the School Banking program at Bardia Public School.

We will be sending out Statement of Accounts today showing any outstanding fees.

Could you please check your child's bag.

LUNCH ORDERS

When ordering lunch for your child, please ensure you write your child's name, class and order clearly on a paper lunch bag. It is also important to write any specific requirements e.g. no butter etc.

Please make sure lunch orders are placed first thing in the morning at the canteen. If the door is closed place the order through the slot.

Nutrition Snippet

The simplest way

...to create a tasty snack with hummus.

Serves: 6 | Preparation: 5 mins

Ingredients

- 1 x 420g can chickpeas, rinsed and drained
- 1 clove garlic, crushed
- ½ teaspoon ground cumin
- 1 tablespoon lemon juice
- 1 tablespoon tahini
- 1 tablespoon olive oil
- 2 tablespoons water, optional
- Vegetable sticks, to serve.

Method

1. Place chickpeas in a food processor with garlic, cumin, lemon juice, tahini and oil.
2. Blend to a smooth purée. Add a little water if it needs thinning.
3. Serve with vegetable sticks or cut some whole grain pita bread into triangles and bake in the oven until crisp.

LOST PROPERTY

We have a number of uniform items in lost property with no names. If your child has lost clothing that does not have their name on it but you feel you would recognise it, please go through the lost property (located in the canteen) within the next few days. At the end of term any unclaimed items will be washed and sold as second hand items.

CANTEEN NEWS

THE CANTEEN WILL BE CLOSED EVERY TUESDAY UNTIL FURTHER NOTICE

We require extra volunteers. If you are able to help, please contact the office and leave your details.

SUSHI

Sushi is available in the canteen every Friday. **PRE-ORDERS ONLY.**

The following is available:

Chicken or tuna with a choice of cucumber or avocado for \$2.50.

An order can be placed as you would normally place a lunch order for your child. Please ensure you write your child's name, class and order clearly on the lunch bag.

Please place orders in the canteen **before Thursday morning**.

2017 Earn & Learn Program

We are participating in the Woolworths Earn & Learn Program again this year.

You can assist the school being able to obtain valuable resources for the school just by doing your grocery shop at Woolworths.

Individual stickers or completed sticker sheets can be placed in the Woolworths box in the front office or in the “**Bardia Public School**” box at Woolworths **Ingleburn**. We have attached a sticker sheet to this newsletter. New sticker sheets can also be obtained from the office or at any Woolworths store.

Thank you for your support.

- ★ Arts & Crafts
- ★ Playing with friends
- ★ Great Educators
- ★ Food and Cooking
- ★ Indoor Activities

Term 3 at Bardia Public School OSHC

Over the past two week's activities, we had origami week activities as the children enjoyed playing around with the papers making lots of shapes for example; boats, airplanes etc.. And learnt from staff and one another other origami shapes by using the paper in multiple faces and fold it then cut it and have beautiful shapes.

In week 7 children had a dinosaurs week talking about dinosaurs. Also, we had a lovely discussion with children regarding the possibility of the exist of dinosaurs in our present. Beside this we had art and craft dinosaurs and children have been competing each other by making different types of dinosaurs through the Lego shapes.

Father's Day activities

Over the last week we had Father's Day craft, children have been very excited to make cards and craft for their dads. Also, we had father's Day shirt and tie craft. And in this occasion we would like to say Happy Father's Day to all our families in the service.

Outdoor Classroom Day – Thursday 7 September

About Outdoor Classroom Day

This is a global day to celebrate outdoor learning. We are encouraged to be part of Australia's first Outdoor Classroom Day on Thursday 7 September.

The Early Years Learning Framework emphasises 'Learning environments' as one of the eight pedagogical practices that promote children's learning and recognises the responsibility to educate for sustainability.

Playing outdoors provides lots of benefits: it promotes wellbeing by decreasing stress and increasing physical exercise. It also helps children explore their natural environment, express their creativity and develop resilience and coordination skills. Also, we are going to offer children, many ideas of outdoor activities like Treasure Hunt, Physical Exercise, Natural Art Gallery, and Picnic.

About The Camp Australia Foundation (tCAF)

tCAF is our not for profit organisation. The outside school hours care programs Camp Australia provides enables us to work with charity partners to develop exclusive programs to improve the lives of primary school children throughout Australia and internationally.

By 2025 we aim to positively impact the primary education experience of 1 Million Children. In Term 3, we will co-ordinate our Wall of Hands Fundraiser. tCAF will also dollar match all donations.

About The Australian Literacy and Numeracy Foundation (ALNF)

ALNF is a registered national charity dedicated to raising language, literacy and numeracy standards in Australia. They currently work across 302 sites nationally, and are passionate about helping people in Australia's most marginalised communities gain literacy skills.

ALNF has a waiting list of disadvantaged children who require Literacy Packs. ALNF will distribute packs on behalf of Camp Australia to children on those waiting lists.

Camp Australia is supporting The Australian Literacy and Numeracy Foundation Currently only one in five Indigenous children in some very remote communities can read at the minimum standard. Not having basic literacy resources like books is a significant barrier for children in these communities.

We are raising funds to provide Literacy Packs to Indigenous children. Our not for profit organisation, the Camp Australia Foundation will match every dollar raised. Please help us to support disadvantaged Indigenous children.

Also, if you have any questions about the program – please feel free to drop by, meet the team and see what happens in after school care first hand.

The Camp Australia Team.
