## 'THE BUGLE'

Term 2 – Week 6 – 2018

### Message from the Principal

Dear members of the Bardia Public School community,

**I will be taking long service until mid-August.** Miss Lewis will be the Acting Principal and Mrs McCabe will be the Acting Assistant Principal Infants. Miss Lewis has taken the role of Acting Principal on numerous occasions and without doubt she will manage the school exceptionally well.

**Congratulations go to the BPS Choir** who were successful in gaining a place in the Schools Spectacular Combined Choir. In November they will be performing at Olympic Park and this will be on television in December. They will also be performing in the Cantabile Music Festival to be held at the Sydney Opera House in August. What an amazing experience for our fantastic choir and their excellent teacher Mrs O'Brien.

**Congratulations go to Jacob Rameka** who has gained a place in the boys Regional Softball Team. This sport is growing very quickly in popularity and it is highly competitive. Jacob has done extremely well to gain a place!

Well, we have tried numerous ideas to improve the **safety for those people entering and leaving the little carpark next to my office.** None of these ideas has been entirely successful. It seems that we simply must rely on your common sense and self-discipline. PLEASE:

1. Only use this carpark between 7.00am and 7.20am.
2. Do not enter this carpark at any other times. Park in the street.
3. Be extremely careful when entering or leaving the carpark.
4. Watch out for pedestrians as you enter.
5. Watch out for cars entering as you leave.
6. DRIVE SLOWLY! **5kph.**

**FOR THE SAFETY OF OUR STUDENTS AND SCHOOL COMMUNITY AS A WHOLE** please use the pedestrian access when entering and leaving the school grounds (**DO NOT WALK THROUGH THE CARPARK**).

## Read-a-Thon

This year we are participating in 2018 Book Bonus. This program allows students to gain sponsors for completing the PRC.

### **How does it work?**

Our students involved in the 2018 NSW Premier's Reading Challenge can join Book Bonus by registering online at <https://donate.grassrootz.com/dymocks/book-bonus-2018/bardia-public-school>. Once you have created your own Book Bonus page, you can seek sponsorship, add photos, track donations and update your progress.

### **How does Book Bonus benefit our school?**

Dymocks Children's Charities will match the total raised by each student and school, plus a bonus 25% to go towards new books chosen by your school. So, for every \$1 raised that's \$1.25 worth of new books for our school!

### **How does Book Bonus benefit others?**

Dymocks Children's Charities will also award an additional 25% of the amount raised to schools in need so they can also select new books for their students.

For example, the rewards if our students collectively raise \$2,000 will be:

- **\$2,500** in books chosen by your school from an extensive list
- **\$500** in books will be rewarded to schools in need so they can select new books for their students

**The 5 most successful school fundraisers** will receive a bonus \$1,000 value of books each. That's \$5,000 value of books!

### **How are our students rewarded?**

Dymocks Children's Charities will reward our students with bonuses for their fundraising efforts.

Once a student raises:

- **\$200+** our student will be rewarded a bonus book of their choice\* up to the value of \$20
- **\$380+** our student will be rewarded 2 bonus books of their choice\* up to the value of \$40
- **\$560+** our student will be rewarded 3 bonus books of their choice\* up to the value of \$60

Join now <https://donate.grassrootz.com/dymocks/book-bonus-2018/bardia-public-school>

## Parent helpers

Our library is a vibrant and active place where parents are very welcome to drop in and enjoy the books with their children or preschoolers. The library also offers a great place to meet other parents and help. Many parents spend 30 mins to an hour after dropping off or before school pick up doing small jobs and socialising. If this is something you would like to do please just rock up anytime from Monday to Thursday.

### Volunteer Award

We have many volunteers in our school that contribute to the wonderful education of our children. One such volunteer, Wendy Freeman, has been awarded a **2018 Werriwa Volunteer Award**. Wendy has given many hours a week and would have covered thousands of reading resources over the years. She has shown continued dedication to our school and we are extremely proud and delighted that she is being recognised for her time and efforts. Thank you Wendy and congratulations!

*Happy Reading!*

ParentWorks is a **free** online program for Australian parents and caregivers of children 2 to 16. It provides **evidence-based** parenting strategies to improve parenting skills, confidence and child behaviour. This means that the strategies in the program have been tested and found to work.

Parents and caregivers may find this program helpful for:

- Managing challenging child behaviours such as tantrums, aggression, noncompliance, inattentive or hyperactive behaviour, sibling conflict, getting ready for school and/or bed, and behaviours outside the home such as problems in the supermarket
- Increasing their confidence in parenting
- Working as a team with their partner

## >>Movie Night Fundraiser<<

We will be holding a movie night fundraiser on the **Tuesday night 19<sup>th</sup> June at Dumaresq Street Cinemas, Campbelltown NSW 2560**. We will be seeing "The Incredibles 2" which will have only been in the cinemas for one week. This is a family night and children will need to be supervised by their parents.

The tickets will be \$10 per person (normally \$6.50) and all extra funds will go to buying air conditioners in our new school. There will be **no ticket sales on the night**. You must buy through the school. We **only have 300 tickets** to sell and, as there are over 350 students in the school, I would suggest you get in early to buy your tickets.

**>> Tickets are selling fast! <<**

### Keeping imagination alive in Primary School kids

Kids spend most of the day in classrooms learning concepts and practising skills. But if you wander past the school at lunchtime, you'll see them gallivanting through the playground kicking a ball or setting up a "shop" in the sandpit.

Kids inherently want to roam and explore using their imagination, and we are keen to strengthen this practice at OSHC.

We make it a priority to "lighten up" as much possible, giving the kids a chance to tell us what activities they'd like to see in OSHC for the next week or month, rather than our team always setting the schedule. We think this approach not only enables kids to think freely and imaginatively but it also sparks their curiosity to learn more.

Some of the other ways we encourage imagination in OSHC include:

- Avoiding screens and encouraging interaction between the kids
- Going outside to the playground to let the kids lead games
- Building spaces, like imaginary forts or cafes using the equipment in the OSHC space
- Offering a box of LEGO, without any building instructions so the kids can create whatever they fancy
- Putting out art and craft activities and supervise as the kids create whatever they like!

If you would like to see some of the activities that kids participate in at OSHC, please call into the OSHC space after school and speak to your Program Coordinator.

## Land Sales Eclipse The 800 Mark

New Breeze continue to lead demand for land in the south west with over 800 land sales now secured, valued at over \$350 million. The market is slowing in several areas across Sydney, however New Breeze is not witnessing those signs. More than 15,000 people have registered on the database to receive project updates. The South West Growth Corridor is driving Sydney's expansion and will continue to do so for decades to come.

Land lot sizes are from 200 sqm with prices starting at \$350,000. All of the lots include NBN access and are positioned within walking distance to Ingleburn Park and the Northern Corridor.

New Breeze continues to expand.

## Rising Up – Construction Starts On First Homes

Construction has started on the first homes in New Breeze with about 30 now rising up. The first residents are expected to move in by the end of this year. Billions of dollars by federal and state governments, as well as the private sector are being injected into the area which is also creating thousands of jobs. # Parkside

AT NEW BREEZE

PROPERTY INSIGHTS ISSUE 5

## Welcome

The last six months has been very busy at New Breeze. Construction is well underway on the first homes, Stage 2 subdivision works are progressing well, Stage 3 subdivision activity will start in June and the upgrade and extension to Bardia Park will finish in June. Thousands of native trees and shrubs will soon be planted in Memorial Forest Reserve as well as construction of a water quality facility.

Thousands of construction jobs are being created to build new roads, homes and public facilities. Cranes and bulldozers are highly visible on two major state-of-the-art amenities including Bardia Public School and Edmondson Park Town Centre. New Breeze is located across the road and beside these significant facilities.

We are also pleased to announce that Campbelltown City Council has granted development approval for Stage 3, aptly named Parkside. Parkside will comprise 700 land lots and two expansive public open spaces – Ingleburn Park and the Northern Corridor. Construction is expected to commence on the park and corridor in August. Open spaces play an integral role in helping promote active, healthy lifestyles and building a strong sense of community.

Approval for Parkside is an important milestone for the development. Land and house and land packages are selling rapidly in New Breeze. We are constantly replenishing new land to meet high demand from purchasers. Our signature Parkside Residences range will soon be revealed.

A further development application (DA) has also been lodged with Council for a major recreational playing area spanning 50,500 sqm hectares in Parkside called Maxwell Creek Oval. Approval of the DA is expected in the first half of 2018.

Kind regards,

Eric Li

## Place Design Group Unveils Parkside

Renowned landscape architects – Place Design Group has unveiled its designs for two expansive public open spaces – Ingleburn Park and the Northern Corridor. Ingleburn Park, comprises over 4,125 sqm and will be an active recreational area featuring a climbing wall, fireman poles, climbing net, slides, play equipment, shelter and seat walling.

The Northern Corridor spanning 20,500 sqm will act as a passive and active recreational precinct with open multi-function green spaces, footpaths, cycleways and shelters. Landscaping, native plants and shade trees will intertwine in the corridor.

Recreational pursuits such as soccer, rugby, cricket, frisbee throwing and picnics will be enjoyed in the open spaces. Ingleburn Park also plays an important part in the 'green network' at New Breeze, connecting pedestrians and cyclists with the sports precinct to the east and Ingleburn Park to the west.

## Multi-Million Dollar Transformation – Bardia Public School

A few short years ago, Bardia Public School was a small semi-rural school serving the educational needs of approximately 150 students. The school now has a student enrolment of 330 and is expected to increase by approximately 100 students per year, reaching a capacity of 1,000 students by 2022.

In response to this growth, the NSW state government has allocated approximately \$35 million to upgrade the existing school to create a state-of-the-art educational facility, which is expected to open in 2019. New Breeze is located immediately beside Bardia Public School. Many families living in the community are expected to enjoy the convenience of walking their children to the new 21st century school.

## Vision For City's Future

Campbelltown City Council recently unveiled its plan to create 'Australia's greenest city' as it kick-starts a new employment and investment initiative aimed at attracting and supporting the next generation of jobs, homes and lifestyles, for one of the fastest growing economic regions in the country. The draft report compiled by one of the world's leading consultants suggests that Macarthur will be home to an additional 800,000 people within the next 25 years.
