## 'THE BUGLE'

Term 4 – Week 8 – 2019

### Message from the Principal

Dear members of the Bardia Public School community,

**Afternoons** – If you are collecting your children from school in the afternoon, we ask that you kindly wait outside the roller door and keep the office foyer free for the office staff to attend to visitors and students needing to access the office.

**Our wonderful cleaning staff** have a very tight schedule to clean our entire school, so we ask that all students and parents leave the school premises by 3:20pm in order for the toilets and courtyard to be cleaned.

#### December

Wed 4/12	Russ the Bus Stages 2 & 3
Thu 5/12	Line of coins
Wed 11/12	Year 6 Farewell

**Thursday 12/12**  
**Presentation Day**  
**11.45 pm start**  
**ALL WELCOME**

Fri 13/12	Combined scripture
Mon 16/12	Bardia's Got Talent (BGT)
Tues 17/12	Reports go home
Wed 18/12	Last Day of School

**First day of school for 2020 is**  
**Wednesday 29<sup>th</sup> January**

Please remember that you **MUST** be here at 3.00pm each afternoon to collect your child. There is no afternoon supervision provided. If you are going to be late regularly you should enrol your child in after-school care. *Camp Australia* is the licensor on school premises. If there is an emergency and you will be unavoidably late, please ring the school before 2.30pm and inform the office staff.

Please note that children have been arriving at school long before 8.30am. Supervision is only provided from 8.30am.

Did you know that if a child is absent from school an average of 14 days per year from Kindergarten to Year 12 this equates to them missing a whole year of education?

*If you really want your child to be successful at school make sure they come to school every day! And on time!*

#### **Disclaimer:**

Bardia Public School does not endorse any product or services advertised in this newsletter.

---

**We need your help!** Because our school is growing so quickly it is becoming very difficult when planning and allocating resources. It would help tremendously if you could let the school know: **Do you have a child starting kindergarten in 2020?**

---

## **Library News**

Library stock take has begun and you may see the hurried look on the librarian's faces as they try to corral the books back into their rightful homes. You will be receiving an email if your child has an overdue book. If the book has not been found by the end of Week 8, we will ask for payment. If the book will be then scared out of hiding, we will put the money towards next year's fees.

### **Parent Helpers**

If you have any time this week we would appreciate some help with the library stock take and shelving books from the classrooms. Please contact us through the office or drop in.

### **Summer Holiday Reading Program**

[Research](#) though has shown that when kids put down the books for their summer holidays, often their reading ability drops with it. The term "slide" refers to children dropping in their reading ability following a lack of reading over the summer break. Teachers frequently report that students return to school in January with a lower reading level and interest in books, than when they left in December.

The local libraries run a summer holiday reading program to try and help parents promote reading at home.

Happy Reading...

# Burnside Giving Tree

Thank you to the families who have already donated presents for the Burnside Giving Tree. There is still time to donate gifts which will go to needy families in the Macarthur region this Christmas. If you would like to participate then please purchase a gift, place it in a gift bag and attach a tag indicating the age group the gift is suitable for. Gifts can be placed under the Christmas tree in the foyer of the office. The gifts will be collected on the 12<sup>th</sup> December to enable them to be distributed to families before Christmas.

Thank you for your support of this worthwhile charity.

Miss Lewis

## Thank you to ALL the students who got involved with Jump Rope for Heart!

A huge thank you for the effort skipping and fundraising for the Jump Rope for Heart program this term. Together we raised an incredible \$11,903.34 and this money will all go towards vital heart research and education programs.

We've loved seeing so many smiling faces skipping on the playground and in sports lessons. Jump Rope For Heart was a huge success!!!

SunSmart Snippet

## The simplest way

... to be SunSmart this summer.

Consider UV levels when planning your summer activities.

When UV is 3 or above you need to **PROTECT** your skin in 5 ways:

- **Slip** on sun-protective clothing
- **Slop** on SPF 30 sunscreen or higher
- **Slap** on a broad-brimmed, bucket or legionnaire hat
- **Seek** shade
- **Slide** on some wrap-around sunglasses

Download the free SunSmart app to know what the UV levels are in your location to help plan your summer fun.

**SunSmart App is available on the App Store and Google Play**

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)

## FROM THE OFFICE

### Tissues

**URGENT!** We have run out!

It would be appreciated if families would pop a box of tissues into their shopping trolley next time you are shopping to build up our supply. Boxes can be sent to the office.

Thank you in anticipation.

Office staff.

### School Banking

Wednesday is school banking day and students should bring in their weekly deposit to the front office before 9:00 a.m.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for a school banking reward item in recognition of their continued savings behaviour. Remember our school earns 5% commission on every deposit made (to a maximum of \$10 per individual deposit). Thank you for supporting the School Banking program at Bardia Public School.

### LOST PROPERTY

We have a quite a number of uniform items in lost property with no names. If your child has lost clothing that does not have their name on it but you feel you would recognise it, please go through the lost property (located in the blue crate under the COLA).

## UNIFORM INFORMATION

Don't forget to bring your hat and jacket purchases to the office for embroidery with your child's unique initials. We retain a register of all records so we can return any **lost items to the students**.

### Spare Uniforms

Do you have any uniform clothing that you don't use anymore?

We would greatly appreciate it if you would kindly donate them to the school as our spare clothing pool is getting low. Please drop off to the front office.

# Outside School Hours Care

*Each day outside school hours, we provide a safe and supportive space for children to play, connect, learn and thrive.*

# Outside School Hours Care

## What is OSHC?

OSHC stands for Outside School Hours Care. An OSHC service provides education and care for primary school-age children (generally aged 5 to 12 years) outside school hours and during school holidays. Depending on your school, it can cover Before School Care, After School Care and Vacation Care.

## Why would OSHC suit your family?

At Camp Australia, our vision is 'to support all families in achieving their dreams'. We're here to support families and there are many ways we're doing it.

We offer the peace of mind to families by providing education and care service outside school hours. Families can then manage their work, training, study or other types of responsibilities stress free knowing that their children are looked after during these hours.

At OSHC, children have the opportunity to interact with friends, learn like skills, practice their social skills, feel happy and relaxed, all in a multi-age environment. We offer a safe space where children want to be present and where you are happy for them to be.

Eligible families can reduce the cost of care with a Government subsidy. This amount depends on your family circumstances. For more information simply log into MyGov and complete your Child Care Subsidy Assessment.

Built on our fundamental passion for children, we pride ourselves on delivering engaging programs that further develop the confidence, independence and imagination of all the children in our care.

Your OSHC service is also an integrated part of your school community. We tailor our program to your school's vision and values and also to your children's interests and needs. Our team of qualified Educators works closely with you and your school's teachers to deliver seamless transition to and from the classroom environment. Whether your child has social, cultural, language-based, religious or individual needs, we work with you to see how we can best support their unique needs.

## Our unique approach to programming

As the most experienced OSHC provider, we have become **experts in delivering extra-curricular learning outcomes for children**. Enrichment, sport and activities are part of our unique programming approach which is customised for your children.

All these activities have carefully designed learning outcomes, aligned with the My Time, Our Place- Framework for School Age Care in Australia developed by The Council of Australian Government. They are tailored to the individual needs and interests of each child who attend. A week in After School Care could have children create their own magnifying glass and binoculars or make their own compost bins from recyclable materials, learning all about sustainability

and how to leave the world for future generations along the way. Or Children could be cooking dishes from around the world or setting up an indoor campfire and share stories about themselves and learn about each other, while building their sense of identity.

Every OSHC session also offers children the choice between different zones should they not want to participate in the proposed activities: Sports, Construction, Art and Craft, Homework, Mindfulness, Games, the options are there.

In summary, while each day is different and offers a varied range of fun and engaging activities, we believe that there are three ingredients for a great program:

1. Creating a welcoming space for the children. We make sure that our OSHC rooms are tidy and organised with an atmosphere that encourages children to learn and have fun.
2. Conducting an engaging program where every child can learn new things and foster new friendships.
3. Having a great team of qualified Educators who are part of the school community.

If you want to know more about our OSHC program, speak to the Coordinator at your service who will be happy to take you through the detailed program for the service and answer any questions you may have.

You can also visit [www.campastralia.com.au](http://www.campastralia.com.au) to search for your school's service page and find out more.

## Meals that nourish

We know good food is a necessity for growing minds and bodies, so our care always includes nourishment.

Our healthy eating program operates every service, every day. We focus on fresh produce and use at least 75% of the weekly food budget for seasonal fresh fruits and vegetables.

Outside of that your child's needs determine our ingredients, whether they're dietary, cultural or religious needs. We just ask that you let us know when you register.

Our Before School Care programs offer a selection of:

- Healthy cereal, oats and milk
- Seasonal fresh fruits
- Wholemeal toast with a variety of toppings such as baked beans, spaghetti, honey or vegemite
- Fresh water and milk

At After School Care, our meal plans change all the time. But to give you a taste:

- Seasonal fruit and vegetable platters

- Homemade hummus and rice crackers
- Salad sandwiches on wholemeal bread
- Popcorn

- Homemade banana bread

All weekly menus meet the Australian Dietary Guidelines. We've even developed our own cookbook so we can cater for

the range of different cooking facilities available at different services. Our cookbook contains around 80 delicious and easy to prepare savoury, sweet and no bake recipes from around the world for our staff to deliver a variety of menu where the school facilities allow.

## Holiday Club

School holidays see the educational fun of OSHC transform into the extraordinary experiences of Holiday Club. For the children, the holidays are about fun, adventure and exploration; and that's what they'll get at Holiday Club. Plus, all our activities have carefully designed learning outcomes, that'll leave them feeling energised and stimulated.

Our program is designed around family feedback through our end of season surveys, live feedback within the services and our child feedback app, developed exclusively by Camp Australia. It's centred around ensuring that we are providing a fun, engaging, diverse and educational program.

We have three uniquely different types of days that happen at Holiday Club:

### Club Based Days

Club Based Days are unique days programmed by our Coordinators tailored to the individual children in every service. They could be doing science experiments, cooking, making arts & crafts, playing group games and heaps more.

### Incursion activities

Incursions are days in which a special activity is run at the program location. This could include a project, such as building a kite, or an activity provider visit, such as a yoga or sports clinic.

### Excursions

Excursions with Holiday Club are outside activities where we leave the program to visit an exciting location. This could be to see a movie, learn new things at the museum or to get active at a trampoline park.

## Holiday Club continued

One of the benefits of being a Camp Australia customer is that you can access any of our Holiday Club locations Australia-wide. Your child does not need to attend a particular school to attend any of our Holiday Club sessions. Maybe they have friends going to a different Holiday Club, perhaps they just like the program better or you could require a service that is closer to work – you can book them in at any of our Holiday Clubs.

If you want to know more about Holiday Club through our in-school OSHC service, speak to the Coordinator who will be happy to take you through the detailed program for next season and answer any questions you may have.

You can also visit [www.campaustalia.com.au/holidayclubs](http://www.campaustalia.com.au/holidayclubs) to search for your local Holiday Club programs and find out more.

*If your child is starting their first year of school in 2020, good news is they are still able to attend our Summer Holiday Club program. They will be able to take part in any incursions or Club Based Days but will not be able to go on any excursions until the 1st of January 2020.*

*If your child has started school in 2019 or earlier, they are able to attend any of our Holiday programs regardless of their age (as long as they are in Primary School).*

## Important Information

### Registration is FREE!

To attend our care, families must register their child.

Why? Registering your child means we have all the information we need to safely care for them. So, we recommend all families to register an account with us. That way, if you ever need us, you just have to book a session, as we already have all the documentation we need from you.

To register, visit [www.campaustalia.com.au](http://www.campaustalia.com.au). When starting your registration process, please consider:

- Do you have a Customer Reference Number (CRN) from the Department of Human Services?
- Does your child have any medical certificates/documents?
- Medical information - do you have details of your family doctor?
- Do you have any Court Order Documents?
- Have your payment details at hand

- Have your Child Immunisation Certificates ready to upload

But don't worry, you can always resume your saved registration at a time that suits you.

### We recommend to always book in advance.

To secure your children's spot, we encourage that you make your bookings in advance. As we operate a childcare service governed by the Education and Care National Law and Regulations, we can only operate our services within Educator to child ratios and licensed space. The more notice we have on bookings, the better able we are to staff the service to meet your needs.

It is easy to make and manage your bookings 24/7 through our parent portal. Simply log onto [pp.campaustalia.com.au](http://pp.campaustalia.com.au).

Alternatively, you can call our friendly Customer Care Team on 1300 105 343. The team are available 24 hours a day, 7 days a week – Except National Public Holidays.

### Fees and Times

To find out about the fees and operating hours at your service, please visit our website at [www.campaustalia.com.au](http://www.campaustalia.com.au) and search for your school.

### Child Care Subsidy

Did you know you can reduce the cost of care with a Government subsidy?

We strongly recommend you apply for the Child Care Subsidy (CCS) to determine whether you're eligible. Your eligibility for the subsidy is determined by:

- Your family's annual adjusted taxable income
- An activity test
- The type of childcare service

To find out if you are eligible, simply log into MyGov and complete your Child Care Subsidy Assessment.
