## 'THE BUGLE'

Term 4 – Week 2 – 2019

### Message from the Principal

Dear members of the Bardia Public School community,

Welcome back to Term 4! This is sure to be another busy term as we head towards the end of the year.

**Kindergarten Orientation** – Our Kinder Orientation program begins on the 12<sup>th</sup> November. Invitations have been sent out to all families who have enrolled for next year. If you have a child starting Kindergarten in 2020 and have not yet seen the office to start the enrolment process, please do so as soon as possible.

**Selective high school placement** - Applications for selective high school placement in Year 7, 2021 are now open. Applications close on 11<sup>th</sup> November, 2019. You must apply online at:

[education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7](http://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7)

Further information is attached to this newsletter.

**Traffic** – Please exercise extreme care when dropping children off in the mornings and picking up children in the afternoons. If you are using the Kiss and Ride zone please remember these road rules:

- Drivers must remain with their vehicle at all times
- Do not double park
- Do not do a U-turn from the Kiss and Ride

Arthur Allen Drive is now open so drivers can continue along there until you can legally make a right-hand turn to bring you back down on to Bardia Avenue.

**Students must be collected at 3pm each afternoon.** Due to safety concerns, students are not permitted to wait in the playground or outside the school for parents to collect them. If you are running late, please call the office prior to 2:30pm so staff can get a message to your child to wait in the office. Parents will then need to legally park their vehicle and collect children from the front office. Please work together to keep every child safe!

Please remember that you **MUST** be here at 3.00pm each afternoon to collect your child. There is no afternoon supervision provided. If you are going to be late regularly you should enrol your child in after-school care. *Camp Australia* is the licensor on school premises. If there is an emergency and you will be unavoidably late, please ring the school before 2.30pm and inform the office staff.

Please note that children have been arriving at school long before 8.30am. Supervision is only provided from 8.30am.

Did you know that if a child is absent from school an average of 14 days per year from Kindergarten to Year 12 this equates to them missing a whole year of education?

*If you really want your child to have a good future  
make sure they come to school **every***

# Library News

Welcome back to Term 4!

This term will continue with the library program where each hub comes to the library for 1 hour to borrow, read and enjoy listening to literature and for K-2 to participate in craft activities to do with the focus text.

K-2 have additional time in the library for team teaching Guided Inquiry where they will be using technology along with other activities to explore units of work. Kindergarten will be looking at road safety while Years 1 & 2 will be doing a geography unit called Local and Global Places. Look out for exciting activities going on in the library this term...

## **Silent Sustained Reading**

What is it and how is it vital to your child's reading development?

Silent Sustained Reading (SSR) is when a child reads one book for an age appropriate extended time. The recommended time for a child is double their age.

SSR is vital to a child's reading development as it:

### **Enhances Reading Enjoyment**

Readers choose their books so children can pick books of interest. When they are given the freedom to choose, kids discover stories that appeal to them and they develop a positive attitude toward reading. They are reading for the pure joy of reading.

### **Increases Comprehension**

During SSR children don't have to pay as much attention to the pronunciation of every single word when they read silently, so they can concentrate on reading for understanding. As vocabulary, fluency and motivation increase so does comprehension. They can visualise and interpret the words in their own way. Having time to share what they have read develop this further.

### **Builds Vocabulary**

SSR reading provides the opportunity to learn the meanings of many new words in context. Children will apply the word attack skills they've learned to figure out new words on their own.

### **Improves Writing Skills**

There is a well-established link between reading and writing. When children are engrossed in silent reading, they observe a variety of writing styles and sentence structures that influence their own writing styles. Consistent, independent reading inspires a creative thought process that transfers to the written word.

During library time this term we will be focusing on and developing the student's SSR.

How can you help?

Read to your child every day for enjoyment and talk about the stories you read together. Allow and encourage time for them to read by themselves. Perhaps you can set aside a time when you both read silently, set a timer, short intervals at first and read next to each other. If the child wants to talk about their book before the timer is up remind them you will talk after the timer.

Mostly enjoy reading together.

## **Overdue Books**

If your child attends the library and borrows, which will be every child in our school, then they will likely have an overdue book at some time. It is normal for children to forget and misplace things and we as adults are there to guide and help them, not do things for them, even when they are 5 years old.

Some parents become distressed when their child has an overdue book. For us in the library it's not a problem as the books always turn up. Rarely do we ask for payment but for parents to help the child check for the book at home.

Occasionally the book is lost in the library or in the classroom and when the parent informs us we can also look for the book at school.

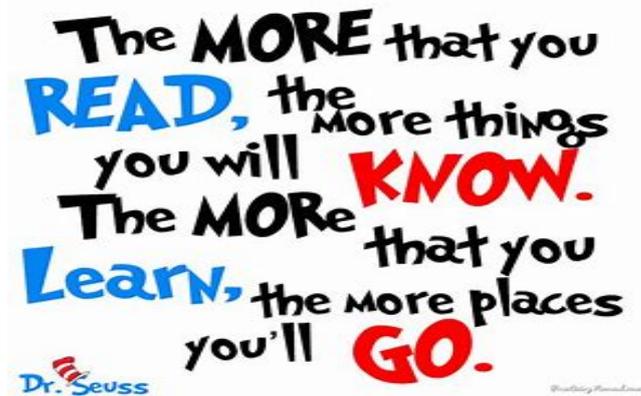

To sum up, if your child has an overdue book, don't panic, stay calm, have them check your home and then contact us in the library if you haven't found it and we will go from there. Unless your child has many books overdue they will still be able to borrow.

## Parent Helpers

Are you looking to get involved in the school?

The library is a great place to start. Many parents who have been wanting to return to work and need some volunteer time to gain back their confidence have gained employment after working in the library. If this is you and you're wanting to get more involved or explore how you can gain work experience please contact us in the library.

## World Kindness Day

This term our school is having a kindness focus. An opportunity to explicitly teach and find opportunities to be kind. This coincides with World Kindness Day on the 13<sup>th</sup> November.

Kindness has many benefits both for the person being kind and the person receiving the kindness...

Kindness has a ripple effect.

When we are kind to others they are more likely to be kind to those around them. Also when we are kind it makes us feel good creating an ongoing cycle.

Our school will be focusing on four areas of kindness,

Kindness to others

Kindness to self

Kindness to the planet

Kindness to our family

Weeks 1 and 2 we will be concentrating on Kindness to Others.

Here are some activities you could try at home...

## KINDNESS to OTHERS

- Write a letter or note to someone out of town and post it 
- Bake a cake or your favourite food and deliver it to a friend or someone in need 
- Find opportunities to give compliments today
- Say "thank-you" as much as possible
- Hold the door open for the person behind you
- Do something kind for a stranger
- Greet people with a Hug, High Five or Handshake 

# Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you **register your child online**, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started. [www.jumprope.org.au/parents](http://www.jumprope.org.au/parents)

Students will be skipping throughout the term in PE lessons, lunch and recess. During this time you can share their online fundraising page with family and friends to help raise money for this great cause.

Thank you for supporting the Jump Rope for Heart program!

## Campbelltown Road upgrade

Temporary closure of Soldiers Parade at Campbelltown Road, Edmondson Park

Roads and Maritime Services | October 2019

The NSW Government is investing \$76 million to upgrade Campbelltown Road between Zouch Road and Ingleburn Gardens Drive, Bardia. The upgrade will improve safety and access to Campbelltown Road, and increase road capacity to cater for future growth.

As part of this upgrade, we will carry out work at the intersection of Soldiers Parade at Campbelltown Road, Edmondson Park. The work will include earthwork, trenching and installing services, road surface work and installing concrete barriers.

### Soldiers Road temporary closure

To allow us to carry out key work on the upgrade, we will close Soldiers Parade at the intersection with Campbelltown Road between **10pm Friday 25 October and 5am Monday 28 October**.

A detour will be in place via Camden Valley Way while Soldiers Road is closed in this area. Traffic will remain open for road users travelling straight through on Campbelltown Road.

Road users wishing to access Edmondson Park station from Campbelltown Road should continue through to Camden Valley Way towards Liverpool, and access Soldiers Parade from Camden Valley Way. Please

ensure you plan ahead and allow extra travel time for your journey if you are travelling to the station during this closure.

## Our work schedule

We will be on site from **10pm Friday 25 October to 5am Monday 28 October**, weather permitting.

We are also continuing with our normal work schedule of five shifts per week Monday to Friday between 7am and 6pm.

## Contact

If you have any questions, please contact our delivery partner, Burton Contractors, on 1800 982 142 or [CRU-stage1@burtoncontractors.com.au](mailto:CRU-stage1@burtoncontractors.com.au)

For more information on this project, visit [rms.nsw.gov.au/projects/sydney-west/campbelltown-road-upgrade/index.html](http://rms.nsw.gov.au/projects/sydney-west/campbelltown-road-upgrade/index.html)

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing all noisier work before midnight.

## Traffic changes

There will be temporary traffic changes in place during this closure to ensure the work zone is safe.

Clearly marked detours and traffic controllers will be in place to help road users complete their journeys.

Please keep to speed limits and follow signs and traffic controllers' directions. We encourage all road users to visit [livetraffic.com.au](http://livetraffic.com.au) or telephone 13 27 01 for the latest updates on the planned closures.

Thank you for your patience during this important work.

## FROM THE OFFICE

### Tissues

**URGENT!** We have run out!

It would be appreciated if families would pop a box of tissues into their shopping trolley next time you are shopping to build up our supply. Boxes can be sent to the office.

Thank you in anticipation.

Office staff.

### School Banking

Wednesday is school banking day and students should bring in their weekly deposit to the front office before 9:00 a.m.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for a school banking reward item in recognition of their continued savings behaviour. Remember our school earns 5% commission on every deposit made (to a maximum of \$10 per individual deposit). Thank you for supporting the School Banking program at Bardia Public School.

## LOST PROPERTY

We have a quite a number of uniform items in lost property with no names. If your child has lost clothing that does not have their name on it but you feel you would recognise it, please go through the lost property (located in the blue crate under the COLA).

## UNIFORM INFORMATION

Don't forget to bring your hat and jacket purchases to the office for embroidery with your child's unique initials. We retain a register of all records so we can return any **lost items to the students.**

### Spare Uniforms

Do you have any uniform clothing that you don't use anymore?

We would greatly appreciate it if you would kindly donate them to the school as our spare clothing pool is getting low. Please drop off to the front office.

## Welcome Back.

Can you believe it, Term 4 has officially commenced! We look forward to celebrating the last quarter of 2019 with you and your school community. We know this can be the busiest time of the year for many, so we want to make sure you know that we are always here to help make your life a little easier.

### What not to miss this term in OSHC

From the 11<sup>th</sup> to 15<sup>th</sup> November we will be celebrating **National Recycling Week**. This week is all about creating awareness and teaching the children about sustainable living by bringing recycling to the forefront of their program. We will be encouraging children to explore the importance of recycling and how they can connect and contribute to the world through creative and fun activities.

We don't want your child to miss out on all the fun! So, we recommend making your bookings in advance. You can visit our friendly staff at your service to find out more information on what activities they have in store for National Recycling Week.

### Not yet Registered? Don't worry, it's never too late. Plus, it's FREE to register.

To attend our care, you must register your child [pp.campaustralia.com.au/account/login](http://pp.campaustralia.com.au/account/login). Remember, you may be entitled to receive the Australian Government Child Care Subsidy, visit [www.mygov.com.au](http://www.mygov.com.au) to find out more.

### More Program Details

For more information about our program and fees at your school, visit our service and chat with our qualified Educators. Alternatively, you may visit our website at [www.campaustralia.com.au](http://www.campaustralia.com.au) or contact our friendly Customer Care Team on 1300 105 343 who are available 24 hours a day, 7 days a week - except National Public Holidays.

We look forward to seeing you and your family soon!

# Photo Journal FAQ's

## What is Photo Journal?

Photo Journal is a new initiative by Camp Australia, aiming to provide parents with great insights into their child's day. Photos of activities children complete will be shared via our Parent Portal, so parents can see what happens when children are attending care.

## How will I be able to see the photos?

You will get notified by email and/or SMS that there are new photos to view in your Parent Portal. Photos will be visible on the Parent Portal, in a new Gallery section accessible from the main menu (right hand side). Just log into the Parent Portal and see what's been added!

<https://pp.campaustralia.com.au/home>

## What if I don't want my child to have photos taken?

You can opt out of the Photo at any time by logging into the Parent Portal and updating your preferences under the communication options section.

<https://pp.campaustralia.com.au/account/communicationOptions>

You can also do so by calling the Customer Care Team on 1300 105 343.

## What if I change my mind?

You can opt out and opt in whenever you want. All you need to do is to log onto our Parent Portal to change your settings or contact our Customer Care Team on 1300 105 343.

<https://pp.campaustralia.com.au/account/communicationOptions>

## Will other people be able to see these photos?

You will have access to both individual photos of your child, and group photos of your child. Photos shared on your Parent Portal are only visible to you, however, note the group photos only will be available in the same way to other parents.

## What if my child doesn't want their photo used?

We have embedded the concept of children's consent into our approach to taking and using photos. Each child will be asked if they would like their photo taken and will be asked again on whether the individual photo can be shared with their parents.

## Does this cost anything extra?

This is a free service.

## How many photos can I expect?

This will vary. Our Educators' priority is always to be present, in the moment, with your children to support their participation in activities. Sometimes you might go a couple of days without new photos, sometimes you might get several in one day! We are keen to hear your feedback on this as well.

## How will I know if there are photos waiting for me to view?

You will get notified by email and/or SMS that there are new photos to view in your Parent Portal. But we also encourage you to log into the Parent Portal to check in. Again, we'd appreciate your feedback on how you would like to be alerted about new photos being uploaded.

## How do I provide feedback on the photos?

We are keen to get everyone's feedback and responses to the photos. If you have any questions or feedback in the meantime, please talk to the Coordinator at the service. Alternatively you can always contact our Customer Care Team on 1300 105 343 or send us an email at [oshc@campaustralia.com.au](mailto:oshc@campaustralia.com.au).

## Australian Childhood Anxiety TREATMENT STUDY

### Free home-based assessment and treatment for 7 to 12 year old children with fear and anxiety disorders.

Does your child become very afraid of certain situations or objects, worry about a lot of things, get very distressed, or try to avoid things they fear?

#### About the study

Our team at Griffith University may be able to assist you. We are conducting a nationwide study that includes the following services at no cost to families:

- A thorough assessment of your child's anxiety with a trained psychologist via the telephone;
- Your child receiving one of two kinds of home-based treatments delivered on a PC, laptop or tablet; and
- Two follow-up telephone assessments with a trained psychologist 6- and 12-months after treatment to track your child's progress.

The study aims to find out if these two treatments are as effective as each other, and which children have the best response to each kind of treatment. This will mean that there are more evidence-based treatments available for helping anxious children.

#### About the treatments

Each treatment involves your child completing treatment sessions at home on a PC, laptop or tablet.

Each treatment involves your child learning practical strategies to better manage anxiety.

- One treatment helps children learn to control the focus of their attention on helpful things around them.
- The other treatment helps children learn to think differently and approach things they fear.

Each treatment includes information, telephone or email support for parents in assisting their child to better manage anxiety.

Prior studies have shown that children who complete each treatment experience significant reductions in anxiety.

#### Contact us

This study is being funded by the National Health and Medical Research Council and is led by Professor Allison Waters and a team of experts in childhood anxiety disorders.

For more information about our study and our team, or if you would like your child to participate, please contact us:
