# Message from the Principal

Dear BPS Community,

Well, we made it to the end of 2020. Thank goodness this year will soon be over. We all look forward to getting back to normal in 2021. However, it may be a few months (perhaps six) before we will return fully to our old routines. Please remain patient. We are nearly there!

Last Tuesday night the Year 6 Farewell was celebrated in the school hall. It was an amazing evening! The best farewell I have ever attended! The children had a wonderful time. They were relaxed in the familiar surroundings of our school and spent the entire night happily laughing with their friends, dancing, talking, remembering the “old days” and taking selfies. The staff were also happy and relaxed (and they didn’t have to worry about stranger danger in the toilets as they usually do in RSLs etc.). A huge thankyou to the crew of parents who helped set up the hall – it looked fabulous. A huge thankyou to Miss Claravall, Mrs McCabe and Ms Levi for all their fundraising efforts throughout the year and for organising the farewell. Also, thank you so much to all of the understanding Year 6 parents and carers who patiently waited on the footpath as the last ceremony was completed. All round, A GREAT NIGHT!

One of the only positives from the pandemic and its impact on BPS has come from our morning and afternoon arrangements.

This has been the safest year in my career for “stranger danger”. Usually, every year about five to ten schools across Sydney make reports about strange men entering the school and sometimes hiding in the toilets. Too horrible to even think about. **BUT not in 2020.** Because we do not allow adults into the school, the children have been perfectly safe. Should someone enter the school who is not a member of staff we have been able to challenge them immediately.

There have been other positives too: now that we have so many students (717 now, 820 at the start of 2021) we no longer have that crazy situation with hundreds of adults pouring into the school just as hundreds of students are pouring out. Students are no longer falling down the stairs in the rush, students are no longer going missing in the human crush and parents and carers are no longer frantically rushing about the school scared witless that their child has been grabbed by a stranger.

And we no longer have parents or carers peering through classroom windows or trying to get their child’s attention as the lesson is concluding or commencing. The students are MUCH more settled under this arrangement and the teachers report that their lessons are no longer disrupted.

I think you will agree that the safety of the students and a better learning environment are very good reasons for us keeping our current morning and afternoon arrangements as they are, even when COVID19 is long gone.

Of course, once COVID19 has gone we will be able to return to having parents and carers at our assemblies, parent teacher nights and all those other wonderful occasions where we get to share with you your children’s wonderful school events.

We have big plans for 2021. We have very high expectations and intend on making our school the best public school in South West Sydney (Yes, it’s already excellent, but why stop there?). Exciting things ahead! I will keep you informed and will invite you to the school for some information evenings.

I hope you all have a safe, enjoyable holiday with your children.

Warm regards, Brett Moseley. Principal.

## PRAMAN – WARATAH – 3/4L

Camp Australia recently held **The BIG Art & Expression Competition** as part of their re-branding, giving children the chance to have their artwork included in the new branding and showcase their art to a national audience.

Children from all over Australia freely expressed themselves through colours, shapes and patterns in the template provided.

There were 2,216 incredible children's artworks entered into the competition, 21,524 supportive family members voted across all entries and over 85,000 visits from across Australia to the inspiring art gallery.

The winners were picked by the public, using an anonymous voting system for families to be able to share their child's artwork and get their family and friends to support.

**Congratulations to Praman**, who has taken out third prize with his powerful artwork. Praman said that his artwork represented him because:

*"Fly High... Dragan is my favourite character from Kindy. Dragon symbolizes supernatural power, wisdom, strength, and hidden knowledge..... I want to fly high to reach to the top with my best behaviour and curriculum."*

**With Praman taking out third prize also won a \$1000 art grant for the school.**

*Thank you Praman*

# LIBRARY NEWS

GOLDIE'S LIBRARY BARDIA PS

## HAPPY HOLIDAYS!

Written by Mrs. Kathy Wyber

It's hard to believe that we are here!

We still have 100 overdue books. You should have received an email stating what books are still overdue for your child.

Please return the books or pay for them by Wednesday 16th December.

## Holiday Reading...

The single biggest effect on your child's learning is the holidays. Many children don't read over the break and this puts them at a disadvantage at the start of the year.

*"At first glance, parents seem aware of the importance of summer reading, as 94% agree reading over the summer can help their child during the school year. And yet, nearly half of parents with school-age children are unaware of the "summer slide" (47%), the loss of academic skills that occurs when school is not in session and which is attributed largely to the lack of reading. This is of critical importance as the effects of the summer slide are cumulative."*

<https://www.scholastic.com/readingreport/summer.html>

Here are three ways you can encourage your child to read over the summer break...

1. Visit your local library once a week
2. Join the local library summer reading program
3. Continue to read with your child for pleasure. This includes your older school-aged child.

## Special Thanks...

I would like to take the opportunity to thank our wonderful library assistant Wendy Freeman, who held down the fort for the first six months of the year. She has volunteered hours and hours of her time to ensure the library runs smoothly for our students.

Have a safe and happy holiday with lots of reading,  
Mrs Kathy Wyber

# Summer Reading Club

Tuesday 1 December to Sunday 31 January

The Summer Reading Club is here at a Library near you.

The Summer Reading Club is a program designed to encourage and promote reading and literacy during the Summer school holidays for children aged 0 - 14 years.

Parents can read to children who cannot read on their own.

How to register for the Summer Reading Club

- The Summer Reading Club opened on Tuesday 1 December 2020 and will run until Sunday 31 January 2021, you can register at one of our libraries during this time.

How does the Summer Reading Club work?

- When joining the Summer Reading Club, children will be given a reading log where they can record up to 10 books read or 10 periods of reading time.
- Children may read fiction or non-fiction, but all books should be suitable for their age level. Participants can also record books that are read to them.
- If a child is a member of Bookalicious, they can also add their books to their Bookalicious Reading Log as well.

Enter in the lucky draw

- When you complete a reading log, hand it in to one of our library branches to enter our lucky draw and you'll also receive a random lucky dip prize.
- Participants may request additional logs to continue reading and may enter the draw for every reading log they complete.
- There will also be some special prize draws along the way, so you will have the chance to win some other great prizes.

Dear Families,

A BIG congratulations to all children who entered The BIG Art & Expression Competition. We truly believe that every child that entered is a winner. Every piece of artwork was inspiring, and the messages that accompanied each piece were really heartwarming. Some of the key themes that we saw in children's captions included:

**LOVE, HAPPY, COLOURS, FAVOURITE, RAINBOW, FAMILY, FRIENDS, BRIGHT and lots more.**

We look forward to next year's competition when we go even BIGGER.

Announcing the winners of the competition:

"I am Pulasi, beautiful little girl who loves my family, nature, studies & travel around the world."

Congratulations to Ivy, from Our Lady of Mt Carmel Catholic Primary School in NSW, who has taken out second prize with her imaginative artwork. Ivy said that her artwork represented her because:

"I love everything outside, the colours, the shapes, the sounds and all of the living things. I tried my best to show how alive the natural world is." She also said that her inspiration came from "The Colours of the Wind – Pocohontas."

Congratulations to Praman, from Bardia Public School in NSW, who has taken out third prize with his powerful artwork. Praman said that his artwork represented him because:
