Message from the Principal

Dear Community,

The Bardia Public School uniform was selected by parents. I think you will agree that it is a fine looking uniform and a much better one than the yellow school uniform from Bardia's past.

Uniforms are important. They help the children to take pride in their school. They reinforce our behaviour policy by encouraging students to take responsibility for their appearance. These two things together have a significant impact on the tone of the school and impact student learning.

The only reason BPS has 99% of our students in the full, correct uniform is because of you, the parents and carers! However all it takes is a few students to wear something other than the uniform, a pair of red runners, a baseball cap, etc. and within a very short space of time other students will copy these uniform infringements and before you know it the school will end up looking like a dog's breakfast. Shoes and hats seem to be the worst items for infringements. Please, shoes that are all black is perfect, black and white are permitted. Only the correct school bucket hat should be worn.

To help prevent lost items of uniform the school runs an embroidery service. All you have to do is drop the item of clothing (hats or jackets) into the office on a Friday morning and we will get them embroidered with your child's initials, noted in a register and back to your child by lunchtime (except at the beginning of the year when we are inundated). This is a FREE service!

Also, BPS has a no hat no play policy. Students without a hat will be told to play under cover and will not be permitted to play under direct sunlight. This is to prevent skin cancer, one of the only bad things about our beautiful country – very high rates of skin cancer.

Thank you so much for supporting your child's school and ensuring your child wears the correct school uniform every day!

After some investigation (thanks to Mrs Gittoes our Office Manager) we have decided to end our association with Buzzy and commence using **School Stream**. I think you will be very happy with this app. It is very easy to use. It also gives parents more control over how the app functions.

- Cost to parents - \$0
- Changeover to School Stream – from today (**SEE INFORMATION FURTHER IN THIS NEWSLETTER**).
- We will communicate with you via Buzzy **AND** School Stream for the last 5 weeks of 2020.
- Last day we will use Buzzy – Wednesday 16th December
- In the first few weeks of 2021 we will communicate with parents via email **AND** School Stream.
- On Monday 15th February 2021 School Stream will be our main way of contacting you.

Applications for Year 7 entry to selective high schools in 2022 will be accepted from Tuesday 13 October 2020 to Monday 16 November 2020. Parents must apply online at:

GOLDIE'S LIBRARY BARDIA PS

CHILDREN'S BOOK WEEK!

Written by Mrs. Kathy Wyber

The school year is quickly coming to an end!

Library borrowing will stop in Week 7 (23rd-27th November) so that all books can be returned by Week 8. The library staff will be stocktaking the children's resources this year. Please encourage your child to bring a book from home to read during class quiet times from Week 8.

Overdue book notices will be emailed to parents in Week 9 to ensure they are delivered. Please contact the library staff, through the office on 9605 2459, if you are having trouble locating books and we will check the library shelves again.

It seems our library book seek out adventure but some of the common places they may be found are:

- in the car
- at grandma's house
- at dad's house
- under beds
- on your own book shelf
- at the bottom of wardrobes
- in sibling's rooms
- under the coffee table

Happy reading...

UnitingCare Burnside Christmas Giving Tree

Dear parents/carers,

2020 has been a difficult year for many families in our local area. The staff and students have decided to once again support UnitingCare Burnside's Christmas Giving Tree. Last year, our school donated many gifts to brighten the Christmas of many disadvantaged families in the local community.

UnitingCare Burnside works directly with families in need in the Macarthur area. Their Brighter Futures program targets families experiencing problems that impact on their ability to care for their children. UnitingCare currently have over 200 children who need our help to ensure they receive a Christmas gift this year.

If you are able to support one of these families in need, we are now taking donations of new toys and gifts for girls and boys up to age 13. The gifts do not need to be expensive but they must be new. All gifts collected will go directly to targeted families working with UnitingCare in our local area.

Once you have purchased your gift, please place it in a gift bag or leave it unwrapped, and attach the gift tag to the present indicating the age group it is suitable for. Students can then place the present under the Christmas tree located in the office. Extra gift tags are also available at the office.

Some suggested gift ideas include: toys, games, colouring in and reading books, sporting equipment, puzzles, art and craft supplies.

Please place all gifts under the Christmas tree by Thursday 10th December to enable them to be collected by UnitingCare and distributed before Christmas.

Thank you for your support of this worthy charity and in helping to bring the Christmas spirit to needy children in the Macarthur district.

Your Outside School Hours Care

At every Camp Australia service, we provide an engaging and supportive space for children to play, connect, learn and grow.

What is OSHC?

OSHC stands for Outside School Hours Care. An OSHC service provides education and care for primary school-age children (generally aged 5 to 12 years) outside school hours and during school holidays. Depending on your school, it can cover Before School Care, After School Care and Vacation Care.

Why would OSHC suit your family?

At Camp Australia, our vision is 'To support families in achieving their dreams' and to do that we take a unique approach to OSHC based on over 30 years of experience.

Tailored programs for all

Our experienced educators involve your child in designing the experience they can expect in our service. From your enrolment guidance of their likes to the games and activities where we observe areas for them to grow; each program has your child at the heart of what we do each day.

A place for friendships to form

As life moves faster and play dates are harder to arrange, our OSHC service is a great place for your child to meet new friends and bond over shared interests.

We design programs that bring children together so they can connect and grow outside school hours.

Child Care Subsidy available

Eligible families can reduce the cost of care with a Government subsidy. This amount depends on your family circumstances. For more information simply log into my.gov.au and complete your Child Care Subsidy Assessment.

More time for you

Our service is available to all families no matter the need. We offer peace of mind so you can manage work, health, study or other types of responsibilities stress-free knowing that your child is engaged and happy in their experience with us.

Our industry leading approach: Your OSHC

Your OSHC service is also an integrated part of your school community. We tailor our program to your school's vision and values and also to your children's interests and needs. Our team of qualified educators works closely with you and your school's teachers to deliver a seamless transition to and from the classroom environment.

Whether your child has social, cultural, language-based, religious or individual needs, we work with the whole community to see how we can best support their unique needs.

Tailored programs for all: How we do it

As the most experienced OSHC provider, we have become experts in delivering extra-curricular learning outcomes for children. Enrichment, sport and activities are part of our unique programming approach which is customised for your children.

All experiences are carefully designed to deliver on specific learning outcomes, that align with the My Time, Our Place Framework for School Age Care in Australia. This approach means that programs are tailored to the individual needs and interests of each child who attend. No two days in OSHC are the same.

One day, the children could be creating their own magnifying glass and binoculars as part of a science enquiry, or aligned to National Recycling Week they could be making their own compost bins from recyclable materials, learning all about sustainability and how they can protect the planet.

The next day, children could be cooking dishes from around the world learning about nutrition and culture, or setting up a story group to share interesting things about themselves while gaining insights into their own identity.

To us, OSHC is a deliberate environment to help children grow.

Meals that nourish

We know good food is a necessity for growing minds and bodies, so our programs always include nourishment.

Our healthy eating philosophy operates at every service, every day. We focus on fresh produce and use at least 75% of the weekly food budget for seasonal fresh fruits and vegetables.

Outside of that your child's needs and interests determine our ingredients, whether they're dietary, cultural or religious needs. We just ask that you let us know when you register.

Our Before School Care programs offer a selection of:

- Porridge and muffins (Depending on service facilities)
- Healthy cereal, oats and milk
- Seasonal fresh fruits
- Wholemeal toast with a variety of toppings such as baked beans, spaghetti, honey or vegemite

At After School Care, our meal plans change all the time. But to give you a taste:

- Seasonal fruit and vegetable platters (75% of budget)
- Homemade hummus and rice crackers
- Salad sandwiches on wholemeal bread
- Popcorn
- Homemade banana bread

All weekly menus meet the Australian Dietary Guidelines. We've even developed our own cookbook so we can cater for the range

of different cooking facilities available at different services. Our cookbook contains around 80 delicious and easy to prepare savoury, sweet and no-bake recipes from around the world for our staff to deliver a variety of menu where the school facilities allow.

Every OSHC session also offers children the choice between different zones should they not want to participate in the proposed planned experiences: Sports, Construction, Art and Craft, Homework, Mindfulness, Games are some of the options available.

Plus, each term we also have at least one themed and supported week like National Science Week, National Reconciliation Week or National Recycling Week.

And even though there is a theme for that week, our team of educators engage with each child during the planning stage to ensure the program still meets everyone's interests.

◀ Here is an example of what National Recycling Week in OSHC can look like.

While each day is different and offers a varied range of fun and engaging activities, we believe that there are three ingredients for a great program:

1. Creating a welcoming space for the children. We make sure that our OSHC rooms are tidy and organised with an atmosphere that encourages children to learn and have fun.
2. Conducting an engaging program where every child can learn new things and foster new friendships.
3. Having a great team of qualified educators who are part of the school community.

To find out more, speak to the Coordinator at your service who will be happy to take you through the detailed program for the service and answer any questions you may have. You can also visit www.campastralia.com.au and search for your school's service page for more information about the fees and times at your service.

HOLIDAY CLUB by Camp Australia

For children, the holidays are about fun, adventure and exploration; and that's what they'll get at Holiday Club. All our activities have been carefully designed to leave them feeling energised and stimulated while still providing learning opportunities for them to grow.

Our seasonal holiday program is about children feeling they are not at school. A week at Holiday Club could see your child taking part in dance parties to break down barriers and build their confidence, get creative with cooking activities that they could show you at home, go on a trip to the Zoo or many other excursion venues that we discover for each season. See an example of a day at your program and how we jam in as much activity as we can, so that they go home happy.

One of the benefits of being a Camp Australia customer is that you can access any of our Holiday Club locations Australia-wide.

Your child does not need to attend a particular school to attend any of our Holiday Club sessions. Maybe they have friends going to a different Holiday Club, perhaps they just like the program better, or you could require a service that is closer to your work. Our locations give you the ultimate choice.

To find out more, speak to your OSHC Coordinator or visit www.campaustalia.com.au/holidayclubs and search for your local Holiday Club programs.
